

# Ffos-y-Fran Glo-Da Welsh Domestic Coal

# Ffos-y-fran Glo Da Welsh Domestic Coal

**Evans & Reid** in conjunction with **Miller Argent** are pleased to announce there is a new supply of Welsh dry steam coal for Domestic Heating. The scheme near Merthyr Tydfil, is part of a major reclamation scheme, set to produce approximately 100,000 tonnes of sized product of which a good proportion can be used for the domestic fuel market. Expectations are that Glo-Da will take the world by storm and become the favoured source of domestic coals in the UK.

## Coal Characteristics

- Suitable for most domestic coal or multifuel fires
- Sulphur levels. 1.3 - 2.0%
- Calorific value. 30 GJ/tonne
- less than 0.05% chlorine.
- Ash levels 5 - 8%
- Sizing 22-45mm and 45-65mm
- Assured Quality
- Continuity & Supply

NB: the above sizing is indicative and can be altered in accordance with customer requirements.
